(William Perkins)
Theology is doctrine or teaching of living to God.
(William Ames)

REVOLUTION UNIVERSITY 2011-2012

Study. Grow. Live. Repeat.

Jesus loves us not only enough to save us and forgive us, but also to not leave us the way we were. Translation: there's growth in this journey with Jesus along the way.

Revolution U is a place that partners with God to bring this growth into people's lives. Whether beginner or advanced, growth in the Scriptures, learning how to minister out of your spiritual gifts, or thinking theologically, we have course offerings to help you grow so you can go and be the revolution God is calling you to be to change the world.

Our ministry is always growing, but for now at least the courses happen at three levels: 101 (beginning), 201 (intermediate), and 301 (advanced). Each level is designed to help people grow in their knowledge of the Scriptures, theological knowledge and understanding of God, the history of the Church, spiritual formation and gifts (a spiritually vital relationship with God and the gifts God gives us for others), equipping for ministry, and leadership.

Study. Grow. Live. Repeat.
 Sounds to us like the way of Jesus.
