

Tattooed Priests - Winter Teaching Series 2012

Teaching Series

In the ancient world, the priests of various cultures were tattooed to indicate that they had been set apart for a special purpose. These priests were the people whom the gods had chosen to help the rest of the world navigate the system of sacrifices and to bring the human world and the spiritual world together.

The Book of Leviticus is not normally a book of the Bible one spends much time reading. And yet, in the midst of New Year's Resolutions, a world filled with sacrifices, and tattoos that tell the world what we believe, there's a word for us.

People make new year's resolutions every year. Live more. Laugh more. Love more. End the destructive habit. Fall in love. Lose weight. Give more. This year, take the time to hear from words in ancient ink a revolutionary way of life.

House Groups begin the week of 1.8, and will be studying Timothy Keller's *Generous Justice: How God's Grace Makes Us Just*.

Nursery + Kids + Youth + College

Little Peeps Nursery - Infant - Preschool Age Children

Little Peeps may be checked in at the entrance of the second floor before worship. You will be asked to give relevant information about your child, and also a wristband that both you and your child wear. Little Peeps may be picked up after worship by showing your wristband at the check-in desk. Children who are ages two and above have their own teaching time including Scripture, a craft, and game.

Revolution Kids - Grades 1-6

Kids are dismissed during worship to have their own interactive teaching experience similar to the main worship gathering. This typically includes the same Scripture, craft, and game. Our Revolution Kids are served Holy Communion at the end of their teaching time. If you would prefer your child to abstain from receiving the Sacrament, please be sure to tell our Children's Pastor, Karen Garner, and she will make the appropriate arrangements.
