

Open Door Checklist

****Please print and read this completely BEFORE doing anything****

Pre-Meal Planning:

- Have your house group watch the 4th Avenue Release video at Revolution website
- Plan on feeding 150-160 people. The total budget is \$200. Receipts can be turned into Shauna Breeden at Revolution for reimbursement.
- Open Door has frozen and pantry items that should be used. Check with Sarah (kitchen manager at 4th Ave UMC) for availability – (502) 544-2158. Depending on availability, they can provide meat, sauces, spices and dessert. Open Door encourages us to use their supplies so they can continue to justify their needs (this is important). This call to Sarah should be made on the Monday of the week you are serving.
- (If possible) Meet with Sarah and look at supplies (meat, veggies, bread, dessert and drinks). Also, have her show you how to work the dishwasher.
- Investigate potential recipes online or through Sarah (she usually has a good suggestion based on the meat they provide).
- Get serving confirmations from your house group and also help promote attendance at the event from those outside your group.
 - *Everyone who commits should confirm their commitment via the Revolution serving form on the church app or the serving page of the website at revolutionky.org.*
 - *Anyone can view the committed participants by logging into CCB and clicking on the event in the calendar.*
 - *Participants needing the directions to 4th Ave. can use the serving app on their phone or check the church's website.*

- Create a menu:

Main dish

Vegetable(s)

Fruit (preferably fresh)

Dessert

Drink

- All supplies that are not available at 4th Ave. should be purchased by the group leader
- Shop for items needed
 - Menu items
 - Condiments (butter, ketchup, sauce, etc)
 - Powdered drinks (buy twice what you think you need and leave whatever is leftover)
 - Napkins
 - Canned drinks or juice for carryout orders (12-18 carryout servings/week)

(if you find you need last minute items, there is a Kroger at 3165 S 2Nd St which is near the stadium)
