ABRAHAM

THE COVENANT TRACKER

A covenant is a binding promise between God and His people. In fact, it goes even deeper than a promise between two people. A true covenant endures for many generations. Long ago, there was a man named Abraham. God told Abraham to leave his country and travel to a different place. Abraham was obedient to God, and God made a covenant with Abraham that one day Abraham's descendants would be as numerous as the stars of the sky. Abraham had faith, even though the fulfillment of the promise would take a really long time. One of the reasons that he was able to hold on to his faith was because he understood who God is.
