

ADVENT WEEK 1

# TRACKERS

OF TRUTH

## EZEKIEL

### THE HOPEFUL TRACKER

Today we learned about Ezekiel, the Hopeful Tracker. His visions from God helped encourage His people while they were living in the exile—a very challenging time. The great throne, the dry bones, and the flowing river all filled God's people with hope. Advent teaches us to hope, even when things aren't going our way. Advent teaches us to have peace, even though life seems confusing. Advent teaches us to have joy, even when it's hard due to pain or suffering. Advent teaches us to love God and others, even when we might want to focus on ourselves.

**MEMORY VERSE**

I will give you a new heart and put a new spirit in you; I will remove from you your heart of stone and give you a heart of flesh.

Ezekiel 36:26
