MARY

THE JOYFUL TRACKER

Mary surrendered to God's plan for her, and as a result, was given the privilege of being the mother of Jesus, the Savior of the world. Her surrendered life brought about great joy. Joy is different than happiness. Happiness is dependent upon our circumstances, but joy is an attitude of the heart. We can have joy no matter what is happening in our lives, even when we're confused or hurting. The best way to feel joy is to remember this acronym: J.O.Y. This stands for Jesus, then others, and then yourself. Putting others before yourself, and putting Jesus above everything is the secret to a godly and joyful life.
