**Message description:**

The letter to the Philippians is known for its joy, thanksgiving, and friendship. He writes to his friends to encourage them in their faith and joy in Christ. But he begins the letter with a heartfelt thank you for the ways that they have partnered together in the gospel. Amy Oden says, "The gospel is no lone ranger enterprise. It's a partnership for all the saints, the whole church." This is something Paul knew very well throughout his missionary journeys, relying on the local church to support and extend his mission. It is all the saints who, living and passed, make up the communion of saints who march with us and guide and lead us forward.

**Key Scriptures**

*Philippians 1:1-11*
